Shubham Singh Rajput

Java Developer

Indore — +91-7489102883 — rajputshubham7496@gmail.com
LinkedIn: shubham-rajput-connect

Professional Summary

Results-driven Java Developer with hands-on experience in designing and implementing microservices, RESTful APIs, and cloud-native applications using Java, Spring Boot, and AWS. Skilled in CI/CD pipelines (Jenkins, Maven, GitHub Actions), containerization (Docker, Kubernetes), and messaging systems (Kafka, RabbitMQ, Redis). Strong expertise in database optimization, scalable backend development, and delivering production-ready enterprise solutions. Adept at working in Agile/Scrum environments and collaborating across teams to ensure high-quality software delivery.

Technical Skills

Languages: Java, SQL
Frameworks: Spring Boot, Spring MVC, Spring Security, Hibernate, JPA
Databases: MySQL, Redis
Cloud & DevOps: AWS (EC2, S3, Lambda), Docker, Kubernetes, Jenkins, CI/CD
Messaging Systems: Kafka, RabbitMQ
Version Control: Git, GitHub
Other Tools: Maven, JUnit, REST Assured, Postman

Professional Experience

Java Developer Intern – Appmint Innovation Pvt. Ltd. (Remote)   Mar 2025 – Jul 2025
- Engineered 3+ RESTful microservices in Spring Boot for Email Automation Tool, cutting invalid bounces by 40%.
- Integrated Spring Security with JWT tokens for 1,000+ users.
- Enhanced API response time by 30% using Redis caching.
- Deployed services on AWS EC2 with Docker.

Java Developer Intern – Quintus Tech Pvt. Ltd. (Indore)   Jan 2024 – Mar 2024
- Designed a Wallet App with fund transfer, balance top-up, and bill payment.
- Partnered with 3 teammates in Agile sprints, achieving 95% on-time delivery.

Java Developer Intern – Arbutus Infotech Pvt. Ltd. (Indore)   Jan 2023 – Apr 2023
- Built a Login & Registration app with Spring Boot, MySQL, and JWT authentication.
- Reduced unauthorized access attempts by 100%.
- Participated in code reviews with 95% compliance.

Projects

Wallet App (Jan 2024 – Mar 2024)
- Digital wallet with balance tracking, withdrawals, and recharge.
- Backend with Spring Boot microservices for scalability.

Email Automation Tool (Mar 2025 – Jul 2025)
- Bulk email system with Gmail API integration.
- Features: email validation, authentication, trial credits.

Education

MCA – Medi Caps University, Indore (2021 – 2023) — 7.0 CGPA
BCA – R.P.L. College, Indore (2018 – 2021) — 72%
12th – Saraswati Vidya Mandir, Timarni (2014) — 60%
10th – Saraswati Vidya Mandir, Timarni (2012) — 68%
